"Happy New Year"

We would like to wish everyone a great year in all that you do. We are looking forward to an active and fruitful year

Harney County Shrine Club Happy New Year, 2008!

We're kicking off another year of support for the Shriner's Children's Hospital in Portland. This year our Officers are, President - Dale Eggleston & Secretary, Bill Renwick.

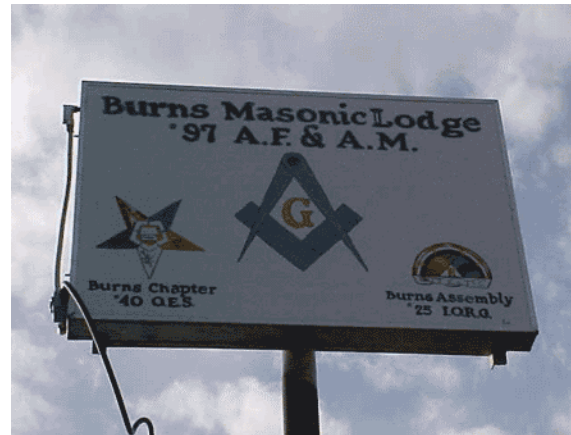

Last year was a great year with over \$40K of meat delivered to the Hospital during the Food Caravan.

Youth Groups

While Robert Burns Masonic Lodge doesn't have a Masonic youth group, we are very fortunate to have in the community a strong Scouting program that we can support. In fact our WM is the Scout Master of Troup #440

FROM THE EAST

Greetings from the East

Brethren, I hope everyone's holidays were fruitful and enjoyable. First and foremost, I want to thank my brothers for electing me to this most important position. I will truly do my best! I have several items planned for this year.

As everyone knows, finances are always a difficult topic. As interest rates have fluctuated over the past few years, our income has suffered. And, as the "cave" is our only other revenue, we *have* to increase attendance at the cave meeting to generate more income! What we've been doing isn't working – so guess what? We're going to do something different. So hold on – this year is going to be wild and rough!

We are going to offer an incentive program called "Rope A Mason" – very simple rules. If you bring a Mason in '08 (who didn't attend in '07), you receive a 25% discount, you bring 2 Masons – 40%. These are just estimates. Actual discounts TBD by mid February.

I served as secretary in 2007 and noticed from the monthly reports, we had absolutely zero petitions – I mean *none* during 2007. My goal is to turn this problem around. I challenge you, my brothers, to initiate 5 new brothers into the lodge during 2008! The SW and JW should get one apiece, right?

In closing, let's put our thinking caps on. Let's meet on the level wardens, deacons – everyone. We are the future of Robert Burns Lodge. We have to work at it to survive. So get your gloves on!

Fraternally,

Perry Cooper, WM
