FROM THE EAST

Greetings Brethren,

Another year has again brought us to our annual election & appointment of officers. Our election was held on November 2nd.

It is my pleasure to present to you these officers (here-in listed). With this new Masonic year, I am troubled by the great challenge they face. The reason is, year by year we have seen fewer & fewer Brethren showing up for Lodge to assist with keeping the Lodge open, functional & going forward. This year has been only slightly better. I would like to encourage each of you, who are able, to support our new Master by coming out to Lodge.

I can say though, that our new Master, Brother Scott Shaw, while moving to the east from the south, has the energy, will-power and “can do” attitude that will make a start on a resurgence in our activities as a Lodge & as Masons.

Again though, I must strongly charge you, who have been away from lodge, to come back and help him and the other officers get us back on track.

I would also like to report that our **NEW** heat pump system is fully functional and works great.

Fraternally, Beau Boyd, Worshipful Master

Greetings From the South

On this the eve of installation I think it of a paramount of importance that we acknowledge the issues before this lodge that threaten to wither us on the vine. My year in the East will be spent not only trying to address these issues but also in asking each and every brother to try to get to Lodge and lend your experience and council in finding ways to make our lodge a stronger and more productive one. We know that the age & health of our membership is directly related to dwindling attendance. But with only 5 or 6 Masons showing up to each stated meeting you can see that we need your help.

Scott Shaw, Junior Warden

From the Secretary's Pen

On November 2nd a resolution to go from two (2) stated meetings to one (1) stated meeting, per month, during the months of September through June was read and approved. By unanimous vote an amendment to the Lodge By-laws to that effect was passed on November 16th and forwarded to the Grand Master.
